WORKSHOPS								
1	Bottled Gardens: Terrariums	Workshop	Ever wanted your own miniature bottled garden? Go hands-on at this workshop and learn how to create a sustainable enclosed garden with minimal fuss. Materials will be provided, and you can take home your terrarium after the workshop.	1hr	S\$33	S\$19 <i>(Recommended for P1 – Sec 4)</i>	15pax	20pax
2	Grow Your First Airplant	Workshop	As their common name implies, "airplants" (or epiphytes) are plants that grow on other plants in little or no soil at all. Learn how to care for these unusual members of the plant kingdom and how you can best decorate your home and garden with them. Materials will be provided, and you can take home your own airplant after the workshop.	1hr	S\$25	S\$22 <i>(Recommended for P4 – Sec 4)</i>	15pax	20pax

General Remarks for all activities:

1. Subjected to availability. Booking are to be made 1 month in advance to avoid disappointment.
