

# Labrador Nature Reserve

## Park Etiquette

**On your journey of discovery, remember some simple tips to help make park visits enjoyable for everyone:**

- Stay on trails designated on the map boards. By stepping off the trails, you risk disturbing and trampling on our flora and fauna.
- Appreciate wildlife from afar and keep a safe distance from them.
- Enjoy the flora and fauna in this park. Take home nothing but fond memories.
- Monkeys have been conditioned to associate plastic bags with food. Please do not eat or carry plastic bags in the presence of monkeys.
- For your own safety and that of others, no motorised vehicles, skates and skateboards are allowed in the park.

- Releasing of animals may cause more harm than good. They may not be able to adapt to the new environment and may not survive long after their release.
- Large groups of people tend to generate a lot of noise. Keep your groups small. If your group has 30 or more people, please apply for a permit prior to your visit.

It is our responsibility to conserve the living things in our park, both for your enjoyment and that of our future generations.  
For the wellbeing of our native biodiversity, please abide by the Parks & Trees Act (Cap. 216).  
For enquiries, please contact NParks helpline at 1800-4717300.
